## 2. Grant and Scope of License

2.1. Subject to Licensee's compliance with the License Agreement, and except as otherwise stated herein, Licensor hereby grants Licensee a non-exclusive, revocable and non-transferrable license to:

2.1.1. permit Authorized Users to access the Content for the duration and in the manner set forth in the License Agreement;

2.1.2. incorporate links on Licensee's intranet websites to the Content in full text format on the Platforms;

2.1.3. transmit to a non-commercial library single articles, book chapters or portions thereof only for personal educational, scientific, or research purposes ("Interlibrary Loans"). Such transmission shall be reviewed and fulfilled by Licensee's staff, and shall be made by hand, post, fax or through any secure document transmission software, so long as, in the case of any electronic transmission, the electronic file retains the relevant copyright notice. The right set out in this clause does not extend to centralized ordering facilities, such as document delivery systems, nor the distribution of copies in such quantities as to substitute for a subscription or purchase of the distributed Content.

2.2. Authorized Users may solely for their personal educational, scientific, or research purposes:

2.2.1. access (including by remote access, with the exception of walk-in-users), browse, view, collate, display, search and retrieve the Content;

2.2.2. download, store on a hard drive or removable media drive, print and copy in paper and digital form single articles, eBooks and portions thereof, individual database outputs, graphs, reports, or other individual items of the Content;

2.2.3. use single articles, eBooks and portions thereof, individual database outputs, graphs, reports or other individual items of the Content for the preparation of academic course materials with all rights notices duly presented, and

2.2.4. use the Springer Nature SharedIt functionality when available, or other means when necessary, to transmit single articles, chapters or other individual items of Content to third-party members of the Authorized Users' research group(s) for personal, scholarly, educational, or research use, but in no case for commercial purposes, nor in any manner that would serve as a replacement for a subscription to the Content.

## 3. Prohibited Uses

3.1 Neither Licensee nor Authorized Users shall:

3.1.1. remove, obscure or alter any copyright or other notices, trademarks, logos, service marks or any other proprietary rights appearing in or on the Content,

3.1.2. except as permitted by applicable law or this License Agreement, update, change, revise, adapt, modify, translate, transform or create any derivative work of the Content,

3.1.3. except as permitted by Section 2 or by applicable law or this License Agreement, re- distribute, reproduce, or transmit the Content by any means including electronic (e. g., via e-mail, FTP) nor post it on personal or public websites or on public networks,

3.1.4. systematically download any Content to its own or any third-party server, use routines designed to continuously and automatically search and index the Content (full text and metadata), such as web-crawling or spider programs or engage in any activity likely to burden the Platforms, except as expressly allowed in the License Agreement,

3.1.5. directly or indirectly use or assist any third party to use the Content for any commercial or monetary purposes including without limitation any sale, resale, loan, transfer or upload of the Content to a commercial entity's internet website, or otherwise charge a fee for access; or

3.1.6. use the Content (or any part thereof) in connection with generative artificial intelligence systems, including, without limitation, to develop, train, program, improve, and/or enrich any such system, or permit any third party to do any of the foregoing.

3.1.7. otherwise use the Content in a manner that would infringe the copyright or other proprietary rights contained therein.
