of Public Policy

# International Trade and Environmental Protection

## Promises and Pitfalls of Global Governance

**PROF. DR. CLARA BRANDI,  
Uni Bonn / IDOS**

**Wednesday, 11 January 2023 | 16-18 c.t. |  
Online Guest Talk ([Webex](#))**

Dr. Brandi is Professor in International and Development Economics at the Uni Bonn, and Head of Programme at the German Institute of Development and Sustainability (IDOS).

Her work focuses on international trade, climate, energy, sustainable development, and green economy. She will talk about environmental provisions in trade agreements and trade provisions in environmental agreements.

HOSTED BY THE EIPCC GRADUATE CENTRE (BRANDT SCHOOL) AS PART OF THE EIPCC COLLOQUIUM
