ROUND TABLE DISCUSSION

Observatory of Resurgent Authoritarianisms

09 November 2022 | 6 - 8 p.m.

IBZ Library, Michaelisstraße 38, Erfurt

Afterwards the discussion will be continued in a bar in the city center.

The idea behind the observatory ...

... is to discuss in an informal setting the political situation in various countries where democracy is being challenged.

In this first meeting, we will analyse Lula's victory in the presidential elections in Brazil, Hindu fundamentalism under Modi in India and Russian propaganda in Ukraine.

PROGRAMME

Frédéric Vandenberghe	Presidential Elections in Brazil: Lula 3.0
Anne Murphy	The Shape of Hindu Majoritarianism in India
Mariia Orobinska	“Russion World” in Ukraine: the face of colonialism in the digital era
