Top Risks 2024. A conversation with Eurasia's Henning Gloystein & Amund Vik

WED, Jan 31 2024, 5 PM, ROOM: LG1/ HS4

Henning Gloystein is Director, Energy, Climate & Resources at Eurasia Group where he covers geopolitical risk in oil and natural gas markets, the transition from fossil fuels to renewable energy, and the environmental pressures of urbanization and industrialization in emerging markets.

Amund Vik is a senior advisor to Eurasia Group, advising various teams and the firm's clients on Europe's energy transition, European geopolitics, and more. Previously, he served as state secretary in the Norwegian Ministry of Petroleum and Energy.

Eurasia Group is a world-leading geopolitical risk consultancy based in New York.

Moderator: Dr Alejandra Ortiz-Ayala is Head of the Conflict Studies and Management Specialization at the Brandt School. Before, she spent several years as a lecturer, researcher and consultant for national and international organizations. She holds a PhD from the University of Ontago, NZ.
