This course is organised as an online seminar. Informations und materials will be provided in moodle. For registration in moodle the initial password is „Stawi2020“.

All participants shall register by Wednesday, May 6th, 16 hours. Then Professor Königstein will send a key to enter a Webex-Meeting scheduled for 18:00 o'clock that day.

The seminar will feature Powerpoint presentations with audio and some live presentations via Webex or some other tool. Other than that it is an ordinary seminar, in which students have to find, read and present research papers and prepare a term paper.

Grading will be based on presentations and the term paper. Details will be provided in the meeting on Wednesday.
