

Call for Papers

11th Erfurt Conference on Fiscal Sociology

October 7, 2011

Fiscal sociology is a field that has long been neglected and hence is ripe to be rediscovered. Papers devoted to the establishment of the current state of the field are welcome. The conference language will be English. It is our purpose to have the proceedings covered in a refereed international publication.

If you wish to present a paper, please let us have title and abstract of your contribution at your earliest convenience, but not later than September 7, 2011 (".doc"-attachment by e-mail is preferred). If you plan to attend without a paper, kindly let us know, too. Once your paper has been accepted, please refer to our website for updated information:

The conference will again be hosted by the Court of Audits of the Free State of Thuringia at the castle in Rudolstadt.
